

LEGACY OF AN ADOPTEE

Once there were two women
Who never knew each other.
One you do not remember,
The other you call Mother.

Two different lives
Shaped to make your's one.
One became your guiding star,
The other became your sun.

The first one gave you life,
and the second taught you to live it.
The first gave you a need for love,
the second was there to give it.

One gave you a nationality,
The other gave you a name
One gave you a talent,
the other gave you aim.

One gave you emotions,
he other calmed your fears.
One saw your first sweet smile,
the other dried you tears.

One gave you up,
that was all that she could do.
The other prayed for a child,
and God led her straight to you.

Now, which of these two women,
Are you the product of?
Both, my darling, Both.
Just two different types of love.
